Dear Steve:

It was a pleasure meeting you last night at the 25th Anniversary Gala for LABT. As promised, I have attached five (5) photos of the orchid trees which were mysteriously planted by the City. Also at your convenience please supply me the name of your co-worker that is supposed to tag our trees.

In regards to the tree gator watering bags, I was able to located them on Amazon for \$8.87 a piece (Greenscapes Tree Watering Bags) - the "original" is called Treegator and their cost is \$25.71 a piece. Here are the two links:

If you are ever in our Business Improvement District - please don't hesitate to call. More than happy to provide a tour of the BID.

Regards,

Lisa Schechter
